## ABOUT US

NAZEER AHMED ALI AL-BALUSHI TRAD is one of the fastest growing transport company within the Sultanate of Oman. Transport is the backbone of many business structures and we are passionate about providing safe, cost effective solutions to our customers. NAAABT maintains a high standard of quality and takes all necessary measures to achieve it. Technology is essential to running a transport operation effectively and our offices are well equipped with modern communication equipment and programs in order to maintain control on all of our transport, employees and customer consignments. Safety is paramount with NAAABT hence a well-designed safety program for all employees is maintained and effectively monitored by our QHSE Manager on a regular basis. In order to maintain high quality standards, a group of highly experienced logistics experts have been recruited via a robust HR process.
